Introducing Mr Oil Savings Plan

Mr Oil offers you the chance to save for your home heating oil.

With the Mr Oil Savings Plan you know that your home heating oil costs are covered with regular monthly payments – so no need to worry about your tank running low as you have already budgeted for your heating costs. Mr Oil Savings Plan is used to build credit towards your next home heating order, with easy to manage payments direct from your bank account the 5th, 15th or 25th day of each month.

Choose the amount you want to save each month towards your home heating oil costs, we recommend a minimum of 80/90euro per month. This figure is based on a household purchasing 1000ltr to 1500ltrs of home year oil in a calendar year. You can save as much or as little as you want.

When you want to order heating oil you will already have credit built up with Mr Oil. If you haven't saved the full amount but you want to order home heating oil, let us know and you can pay any balance by your credit card or laser card when ordering. Alternatively pay our driver cash on delivery for any outstanding balance. If credit remains on your account after your oil is delivered, it can be used towards subsequent orders.

A monthly statement will be sent from Mr Oil to keep you up-to-date on your savings plan.

Simply sign up the attached Mr Oil direct debit form to make regular savings and return it to our office Mr Oil, Adamstown, Co Wexford. We will do the rest. When you have enough saved and you need oil, phone 053 9240534 to order.
